

## Kids Builder's Challenge!

IMoMA is all about creating with miniatures, so our 2024 kid's workshop will have a little more competitive spirit with a creative challenge! We will supply the exact same mini Lego kits, 2 kits for each contestant. (The supplied kits are to be used during the challenges only. No practice will be allowed, nor will the contestants be able to take them home after the completion of each challenge.)

The objective is for each contestant to create a unique build by combining ALL of the pieces from BOTH kits. At the end of each challenge, the contestant's builds will be reviewed by a panel of judges. They will earn a scores based on overall creativity and usage of each piece from the two kits. The completed creations should be original, and not look like the images from the kit boxes.

The contestant with the highest combined score in each age group will win their very own Lego kit! The 3 age groups will be: ages 5-7, ages 8-10, and ages 11-13.

The time slots will be as follows:

Time Slot	11:00-11:30am	12-12:30pm	1-1:30pm
Age Group	5-7 years	8-10 years	11-13 years
Date	Saturday Feb. 24th	Saturday Feb. 24th	Saturday Feb. 24th
Date	Sunday Feb. 25th	Sunday Feb. 25th	Sunday Feb. 25th

We will have room for 10 kids per challenge, so make sure to get over to the kid's area and sign up at least 10 minutes before your age group's challenge.

Creativity is key! Let your imaginations run wild and remember to HAVE FUN!!
